

CHEROKEE STUDIOS ROBB OFFERS KEY ADVICE: Veteran music producer, engineer and performer **Dee Robb** of **Cherokee Recording Studios** in Hollywood offered some industry advice for indie artists all over the world. Because of the universal applications of his knowledge and expertise, Robb chose Internet television station Music Plus TV (www.musicplustv.com) as a platform for reaching artists in the D.I.Y. community on a global level. In an interview with video jockey **Gerrad Hall**, Robb discussed the current state of the music industry in comparison to previous generations, and offered new artists career-building advice. For more information, visit the website or contact Cherokee Recording Studios, 310-429-7863.

SEASON TO BE JOLLY AT AVATAR: Producer **Ron Aniello** recently visited **Avatar's** recording facility in New York to work with the band **Guster**. Jacques King engi-

neered the sessions that were assisted by **Eddie Jackson**.

Artist **Garland Jeffreys** recently worked with producer **Steve Jordan** and engineer **Dave O'Donnell** on some new material for an untitled project. The sessions were assisted by **Brian Montgomery**.

Engineer **Michael O'Reilly** and producer **Barry Eastmond** recorded vocals with **Anita Baker** for a **Dave Koz** record. **Peter Doris** assisted the sessions.

Country artists **Hot Apple Pie** recently shot the video for their new single "We're Making Up," in **Avatar's Studio A**.

Composer **Peter Nashel** and engineer **Lawrence Manchester** recorded a large string section for the film *The Night Listener*. The sessions were assisted by **Peter Doris**.

Lastly, **Merchant Ivory** recently recorded live piano parts for the film *The White Countess*. **Andres Meyers** engineered the long sessions, which were assisted by **Chad Lupo**. 

TEEN POP IQ IS ON THE RISE

New teen pop group **IQ** has been working on a debut CD being released in February 2006 by **WPE Music, LLC, Treacherous Records & Bungalo/Universal**. The sessions are taking place at **World Pop Entertainment Recording Studios** in **Lunenburg, MA**. Pictured (L-R): **Nyla Williams, Gicelle Valerio, Sadiea Williams** and **Mikayla Campbell**.

KARIAN IS GETTING CARRIE'D AWAY!

Music City's newest addition to the professional recording studio scene has made quite the debut. Just one week after **Karian Studio's** grand opening party, Nashville's newest "it girl" **Carrie Underwood** spent a weekend fit for an *Idol* princess at the resort studio near the lake in **Gallatin, TN**. Fresh from winning *American Idol*, **Underwood** plans to record her album this fall and she is currently in preparation mode. Pictured (L-R): **Studio owners Ian and Karen D'Souza** with **Carrie Underwood (Center)** in **Studio A**.

HARLEY KRISHNA GETS TIED UP AND GAG'D

Rock artist **Harley Krishna's** title track "Tie Me Up" is being used in the soon-to-be-released horror movie *Gag*. The song recently received final mastering touch's from producer **Eddie Rogers** and movie score composer **Dennis Dreith** at **Bitworks Studio** in **North Hollywood**. Pictured (L-R): **Eddie Rogers, Gag director Scott W. McKinley**, and **Dennis Dreith**. For more information go to www.gagthemovie.com.
